FARM AID ARTISTS 1985 - 2022

Since 1985, Farm Aid concerts have brought together some of the greatest artists in the history of music. Of all the concerts for a cause that began in the mid-80s, Farm Aid remains the only one that has the unique and unwavering commitment of its original founders. Nearly 500 artists have played on the Farm Aid stage to keep family farmers on the land and inspire people to choose family farm food.
