FARM AID THROUGH THE YEARS

Since 1985, Farm Aid has brought together some of the greatest artists in the history of music. Of all the concerts for a cause that began in the mid-80s, Farm Aid remains the only one that has the unique and unwavering commitment of its original founders. Farm Aid hosts an annual homegrown festival featuring family farmers, good food, incredible music and agrarian experiences. Farm Aid festivals raise funds to support Farm Aid's work to keep family farmers on the land and inspire people to choose family farm food.

Farm Aid 2023 will take place on September 23, 2023.
